Let someone start believing in you, let him hold out his
hand

Let him touch you and watch what happens

One someone who can look in your eyes, and see into
your heart

Let him find you and watch what happens

Cold, no I won't believe your heart is cold

Maybe just afraid to be broken again

Let someone with a deep love to give

Give that deep love to you, and what magic you'll see

Let someone with a deep love to give

Give that deep love to you. and what magic you'll see

Let someone give his heart, someone who cares like
me

Let someone give his heart who cares like me
