We thought that love was over, that we were really
through,
I said I didn't love her, that we'd begin anew,
And you can all believe me, we sure intended to,
But we just couldn't say goodbye.
The chair and then the sofa, they broke right down and
cried,
The curtain started waving for me to come inside.
I tell you confident'a'llly the tears were hard to hide,
And we just couldn't say goodbye.
The clock was striking twelve o'clock, it smiled on us
below,
With folded hands, it seemed to say, we'll miss you if
you go.
So I went back and kissed her and when I looked
around,
The room was singing love songs and dancing up and
down.
Now we're both so happy because at last we've found
That we just couldn't say goodbye.

The clock was striking twelve o'clock, it smiled on us
below,
With folded hands, it seemed to say, we're gonna miss
you if you go.
So I went back and kissed her and when I looked
around,
The room was singing love songs and was dancing up
and down.
Now we're both so happy because at last we've found
That we just couldn't say goodbye.
