Whatever happened to Christmas?

Whatever happened to Christmas?

It's gone and left no traces

Whatever happened to the faces or the glow?

Whatever happened to Christmas

To Christmas way of living?

Whatever happened to the giving

The magic in the snow?

Remember the sights and the smells and the sounds

And remember the cheering call

Remember how love was all around

Whatever happened to it all?

Whatever happened to Christmas?

Bells in the streets are ringing

Whatever happened to the singing

The songs we used to know?

Whatever happened little Christmas

And when did it disappeared from view?

Where was I and whatever happened to you?

Whatever happened to Christmas and you?
