Where are you
Where have you gone without me
I thought you cared about me
Where are you
Where's my heart
Where is the dream we started
I can't believe we're parted
Where are you
When we said good-bye love
What had we to gain
When I gave you my love
Was it all in vain
All life through

Must I go on pretending
Where is my happy ending
Where are you
When we said good-bye love
What had we to gain
When I gave you my love
Was it all in vain
All life through
Must I go on pretending
Where is that happy ending
Where are you
Where are you
