Whispering while you cuddle near me
Whispering so no one can hear me

Each little whisper seems to cheer me
I know it's true, there's no one, dear, but you.

Whispering why you'll never leave me
Whispering why you'll never grieve me

Whisper and say that you believe me
Whispering that I love you

Whispering why you'll never leave me
Whispering why you'll never grieve me

Whisper and say that you believe me
Whisper that you love me, 'cause I'm in love with you
