You're a sweetheart if there ever was one,
If there ever was one it's you.

Life without you was an incomplete dream,
You are ev'ry sweet dream come true.

My search was such a blind one
And I was all at sea,

I never thought I'd find one
Quite so perfect for me,

You're a sweetheart if there ever was one,
If there ever was one it's you

You're a sweetheart if there ever was one,
If there ever was one it's you.

Life without you was an incomplete dream,
You are ev'ry sweet dream come true.

My search was such a blind one
And I was all at sea,

I never thought I'd find one
Quite so perfect for me,

You're a sweetheart if there ever was one,
If there ever was one it's you
