You, you're driving me crazy  
What did I do? What ever did I do?  
My tears for you, they make everything hazy  
Clouding the skies that used to be blue

How true were the friends who were near me  
To cheer me, believe me, they knew  
But you, you were the kind who would hurt me  
Desert me when I needed you

Yes you, you are driving me crazy  
What did I do, did I do to you?

How true were the friends who were near me  
To cheer me, believe me, they knew  
But you were the kind who would hurt me  
Desert me when I needed you

Yes you, baby, you, you're are driving me crazy  
What did I do? Tell me what did I do?

Please, what did I do to you?
