Every kiss, every hug
Seems to act just like a drug
You're getting to be a habit with me

Let me stay in your arms
I'm addicted to your charms
You're getting to be a habit with me

I used to think your love was something that I could
take or leave alone
But now I couldn't do without my supply
I need you for my own

Oh, I can't break away
I must have you everyday
As regularly as coffee or tea
You've got me in your clutches
And I can't break free
You're getting to be a habit with me
