Night and day, you are the one
Only you beneath the moon, under the sun
Whether near to me or far
Doesn't matter baby, where you are
I think of you day and night

Night and day, why is it so?
That this longing for you follows wherever I go
In the roaring traffic's boom
In the silence of my lonely room
How I think of you day and night

Night and day, under the hide of me
There's an oh, such a hungry yearning
Burning inside of me and it's torment won't be through
'Til you let me spend my life making love to you
Day and night, night and day

Night and day, you are the one
Only you 'neath the moon, under the sun
Whether near to me or far
It's no matter baby, where you are
I think of you day and night

Night and day, why is it so?
That this longing for you follows wherever I go
In the roaring traffic's boom
In the silence of my lonely room
I think of you day and night

Night and day, under the hide of me
There's an oh, such a hungry yearning
Burning inside of me and it's torment won't be through
'Til you let me spend my life making love to you
Day and night, night and day
