I get up, it's too late
I lay down, sit and wait
I see the clock, it ain't time
What I want, I can't find
But I've been waiting for so long
What I fear has come

It's a bad night to be in love
It's a fine line I'm walkin' on
I got to give it up to someone else
It's a bad night to be in love

I walk out, push and shove
I speak up, I've had enough
I see the clock tickin' time
What I want I can't find

But I've been waitin' for so long
What I fear has come

It's a bad night to be in love
It's a fine line I'm walkin' on
I got to give it up to someone else
It's a bad night to be in love

Come on baby 'said treat me right
You want to see me fall in love tonite

It's a bad night to be in love
It's a fine line I'm walkin' on
I got to give it up to someone else
It's a bad night to be in love
