Jock gestapo shouting from trucks spitting on beating
down those who strayed
shitting on beating in those who stayed who would not
be crushed by the
offensive line's weight jock gestapo jock gestapo jock
gestapo and apple pie
ignorance locker rooms coaches and guards fists fly
weirdos cower in these
halls specimen machines evil and lean defenders
tackles
for an american dream

jock gestapo and apple pie time insects wounds fester
here comes the train
rail them to death.
