

## **Born Against "Eulogy"**

There was this friend of mine, needed something we  
couldn't give convenient  
answers and a cheap way out killed himself without  
actually dying, took a  
blunt lie and gouged out his mind And I can't xcept that  
he's found the  
answers to those questions I'll be trying to solve until I  
die And I can't  
accept that he's somehow "better off" because the  
answers aren't that simple  
we always assumed he wasn't either and I want his  
beautiful religion to burn  
because Steve's dead... I wasn't offered the chance to  
say goodbye.
