I would like to crush your pointed head  
You fucking puke I think you wet the  
bed I would like to punch your stupid face  
Grab you by your punk rock hair  
and bash your brains I've never met someone as dumb  
as you You're an ingrate  
and an arrogant prick too You jump at every single  
chance to display your ig-  
norance You stupid bigmouth Why don't you just go  
home and fuck yourself Can't  
take a hint You're a dick A walking, talking piece of shit  
You're also a slob  
and you've got no class and you need a kick in your fat  
ass You fucking moron  
why don't you just go home and fuck yourself
