Thoughts are thought,  
From the heart  
The fight is there,  
The fight is hard  
Done with failure  
Walk the line  
Done with hardship,  
Wasting time  
Pushing harder  
On the edge  
Keeping balance  
On the ledge  
Believing then  
Believing now  
Giving in  
Don?t know how

Fighting harder

Thoughts are thought,  
From the heart  
The fight is there,  
The fight is hard  
Done with failure  
Walk the line  
Done with hardship,  
Wasting time
