Hey yay, hey yay, friends and Roman country man  
Hey yay, hey yay, punks and skins and journey man  
Hey yay, hey yay, my sisters and my brother and the  
times  
Is coming near

Come yay, come yay, to sole less corporate circus  
stops  
Come yay, come yay, to toilet circling touring stops  
Come yay, come yay, bedroom bars and bunker swats  
The sound is ringing clear

Now who'd of thought, that after all  
something as simple as rock n roll would save us all  
Now who'd of thought, that after all  
It's rock n roll

Hey yay, hey yay, now anybody could take this stage  
Hey yay, hey yay, and make miracles for minimum  
wage  
Hey yay, hey yay, these folk songs of the modern age  
Will hold us all in their arms

Right here, right now, elvis brings his children home  
Right here, right now, never had to feel alone  
Right here, right now, teenage kicks and grammar  
phones

We hold them, in our hearts  
Now who'd of thought, that after all

Something simple as rock n roll  
Now who'd of thought, that after all  
It was rock and roll

I still believe  
(I still believe)  
In the saints  
Yeah in Jerry Lee and Johnny and all the greats

I still believe  
(I still believe)

In the sound  
That has the power to raise a temple and tear it down

I still believe  
(I still believe)  
In the need  
For guitars and drums and desperate poetry

I still believe  
(I still believe)  
That everyone  
Can find a song for every time they've lost and every  
time they've won

Just remember folks we're not just saving lives we're  
saving souls  
We're having fun

I still believe  
Now who'd of thought that after all  
Something as simple as rock n roll would save us all  
Now who'd of thought, after all  
Something so simple, something so small  
who'd of thought, after all  
Its rock n roll
