Thank you!

Oh carol!
Oh carol!

You was a fool
Carol, you fool
You was a fool
Carol, you fool

Carol, you fool
Don't you know you're crazy
He won't be true
But your mind's a little hazy
He'll break your heart
Don't let it start
But if you think it's better
Go ahead and buy 'm a sweater

Carol, you fool
You think you got it so bad
(thank you!)
Tryin' to steel some money
Just to get some more of what you had
And he's got the dog
And he has no log
No, he won't come back
So put away your black-jack

You wanna try
(you wanna try)
To rob some mexican guy
(to rob a mexican guy)
Beat him on the head

(oh, you beat him on his head)
Maybe make him dead
(you just might make him dead)
Just so you can fly
(oh, you wanna fly)
From pittsburgh out to see him
(you said you really gotta see him)
Carol, you're a foolish fool
(carol, oh-oh, girl!)
You don't really need him
Carol carol
Carol carol
Fool fool
Fool
Carol, you fool

You wanna try
(you say that you wanna try)
(to rob some mexican guy)
To rob some mexican guy
(to rob a mexican guy)
(you wanna beat him on his head)
Beat him on the head
(please, don't beat him on his head, girl)
(but they wanna make him dead
And he wants me to ...)
Maybe make him dead
(you just might make him dead)
Just so you can fly
(you say you gotta gotta fly)
From pittsburgh out to see him
(ooh, you really gotta see him)
Carol, you're a foolish fool
(carol, oh-oh, girl!)
You don't really need him

Carol, you fool
I think you better try again
Carol, you fool
Don't wanna see you cry again
He's gone away
What can you say?
Carol, you fool
You'll meet another engineer

You was a fool
(car, carol, you fool)
Carol, you fool
(carol, you foolish girl)
You was a fool
(oh carol, you ah ah ah...)

Carol, you fool
(carol, you foolish, foolish girl)
You was a fool
(oh carol, you fool)
Carol, you fool
You!
