give me your dirty love
like ya might surrender to some dragon in your dreams
give me your dirty love
like a pink donation to the dragon in your dreams
i don't need your sweet devotion and i don't want your
cheap emotion
wip me up some dragon lotion for your dirty love
your dirty love

give me your dirty love
like some tacky little pamphlet in your daddy's bottom
drawer
give me your dirty love
i don't believe you've never seen his book before
i don't need no consolation and i don't want your
reservation
i only got one destination and that's your dirty love

give me your dirty love
just like yo mama make her fuzzy poodle do
give me your dirty love
the way yo mama make that nasty poodle chew
i'll ignore yo cheap aroma and yo little bo peep diploma
i'll just put you in a coma with some dirty love
some dirty love
that dirty love
that dirty love
poodle bites
poodle chews it
com'on frenchy
poodle bites
poodle chews it
com'on frenchy
