Frogs with dirty little lips
Dirty little warts on their finger-tips
Dirty 'n green
Tiny 'n mean

Floppin' around
By the edge of the stream

Frogs with dirty little eyes
Dirty little tongues all covered with flies
Dirty brown
Floppin' around
Puffed up 'n bloated
When the sun goes down

Frogs with dirty little nose
Dirty little spots all over their clothes
Dirty legs
Dirty feet
Dirty little frogs is what you eat
