Hob-noblin  
Wit de goblin  
De Goblin Girl  
From da mystery world

Hob-noblin  
Wit de goblin  
She's black 'n green  
'Cause it's Halloween

Raggedy black  
Is the way she dress  
Little green shoes  
'N her hair's a mess  
On Halloween night  
At de costume ball  
She's a Goblin Girl  
An' she can gobble it all

She's a goblin  
She's a Goblin Girl  
She's a goblin  
She's a Goblin Girl  
I been hobblin'  
'Cause of the Goblin  
Goblin Girl ...Goblin Girl

Some girls like  
To dress like a witch  
Some girls like to dress like a queen  
Best way a girl  
Can dress for me  
Is in a Goblin suit  
(They look so cute...)

When they're a goblin  
There ain't a problin  
When they're a goblin  
I start a-wobblin'  
Pink all over  
Some is tan

Goblin Girls  
From every land  
They look good  
From any which-a-way  
Every Halloween  
You can hear me say:  
\*"Goblin Girl, take it away..."\*

Hob-noblin  
Wit de goblin  
De Goblin Girl  
From da mystery world

\*(TRICK OR TREAT NOW...etc)\*  
Talkin' 'bout the bad girls  
All the Goblin Girls  
Talkin' 'bout the bad, bad girls  
The little Goblin Girls  
Some are called Doreen  
Some are dressed in green  
They're tricking your treat  
But they're bad girls  
They're very bad girls  
\*(LEPRECHAUN LIGHT...etc.)\*  
They make your face look like  
you got scales on it  
But that's okay...  
When the green light shines down  
On the black guys in the band  
Everybody in the audience  
Thinks they're seeing something  
That looks like it's made out of  
Fish skin  
But Coy leaves the green gels in the truss  
Because he knows the guys in the front  
Really enjoy looking like they've got  
Scales all over their body...
