(Garry Bonner & Alan Gordon)

Howard: Say!

Imagine me and you,
I do,
I think about you day and night
It's only right,
To think about the girl you love
And hold her tight,
So happy together

If I should call you up,
(Call you up)
Invest a dime
And you say you belong to me,
(Ease my mind)
And ease my mind
Imagine how the world could be,
(Very fine)
So very fine,
So happy together

Mark: Just like a big rock show, if you wanna sing along
...

I can't see me lovin' nobody but you for all my life
When you're with me, baby,
The skies will be blue for all my life

Mark: Everybody sing along like a big rock show, come
on!
