Monica: Have you ever heard their band?

Spider: I don't understand it though. Their band, I don't understand . . .

Monica: I . . . I don't think they understand it either

Spider: What? The smoke?

John & Monica: The band!

Spider: The band doesn't understand what?

Monica: Did you know that?

FZ: The smoke stands still

John: There's some kind of thing that's giving us all these revelations

Spider: Yeah, well that's the . . .

John: It's . . . It's . . . It's this funny voice . . . and he keeps telling us all these things and I . . . it . . . I just thought that before we just thought of these things . . . ya know, like just off the wall and out of our heads

Spider: No, that's religious superstition
