Here lies love
In a grave caused by jealousy
Here lies love
In a grave caused by jealousy
Hate was a pall bearer
And on the tombstone was written misery

It was a bad situation
From the beginning to the end
It was a bad situation
From the beginning to the end
I say, baby you killed my love
Now the undertaker is your friend

Now I'm sad and I'm blue
There's not much I can do
If these blues don't leave me
The undertaker will get me too

Ooh-hoo here lies love
In a grave caused by jealousy
You know that hate was the pall bearer
And on the tombstone was written misery
