And now folks it's time for don pardo to deliver our
special illinois enema bandit-type announcement take
it away, don

"this is a true story
About a famous criminal
From right around chicago
This is the story of michael kenyon
A man who's serving time at this very moment
For the crime of armed robbery

It so happened, that at the time of the robbery
Michael, decided to give his female victims
A little enema
Apparently, there was no law against that
But his name lives on
Michael kenyon
The illinois enema bandit!"

The illinois enema bandit
I heard he's on the loose
I heard he's on the loose
Lord, the pitiful screams
Of all them college-educated women...

Boy, he'd just be tyin' 'em up
(they'd be all bound down!)
Just be pumpin' every one of 'em up with all the bag
fulla
The illinois enema bandit juice
He just be pumpin' every one of 'em up with all the bag
Fulla the illinois enema bandit juice

He just be pumpin' every one of 'em up with all the bag
Fulla the illinois enema bandit juice
He just be pumpin' every one of 'em up with all the bag
Fulla the illinois enema bandit juice

The illinois enema bandit
I heard it on the news
I heard it on the news
Bloomington illinois...he has caused some alarm
Just sneakin' around there
From farm to farm
Got a rubberized bag
And a hose on his arm
Lookin' for some rustic co-ed rump
That he just might wanna pump
Lookin' for some rustic co-ed rump
That he just might wanna pump
Lookin' for some rustic co-ed rump
That he just might wanna pump

The illinois enema bandit
One day he'll have to pay
One day he'll have to pay
The police will say, "you're under arrest!"
And the judge would have him for a special guest
The d.a. will order a secret test
And stuff his pudgy little thumbs in the side of his vest
Then they'll put out a call for the jury folks
And the judge would say, "no poo-poo jokes!"
Then they'll drag in the bandit for all to see,
Sayin' "don't nobody have no sympathy...
Hot soap water in the first degree!"
And then the bandit might say, "why is everybody
looking' at me? "

Well did you cause this misery?
Well did you cause this kinda misery?
Well did you cause this misery?
Now, one girl shout: "let the bandit be!"

Bandit are you guilty?
Bandit are you guilty? tell me now, what's
Your plea?

Another girl shout: "let the fiend go free!"
Are you guilty? bandit, did you do these deeds?
The bandit say, "it must be just what they all needs..."
"it must be just what they all needs..."
"it must be just what they all needs..."
"it must be just what they all needs..."
"it must be just what they all needs..."
Etc. repeat

Wanna, wanna, wanna, wanna enema
Enema
Repeat...
