Did a vehicle
Come from somewhere out there
Just to land in the Andes?
Was it round
And did it have
A motor
Or was it
Something
Different

George: So white, Don, I have never seen nothing like
that in my entire life!
Napoleon: Whose python boot is that? Hey, rush it!
What?
FZ: Why don't you sharpen it then?

George: It was round . . . bold . . . I could . . . couldn't . . .
What's that white thing doin' up there?
Napoleon: You whose? Hush! Wait a minute!
FZ: Mother Mary and Jozuf!

Did a vehicle
Did a vehicle
Did a vehicle
Fly along the mountains
And find a place to park itself
Park it
Se-e-e-elf
(PARK IT . . . PARK IT)

Or did someone
Build a place
To leave a space
For such a thing to land

Did a vehicle
Come from somewhere out there
Did a vehicle come
From somewhere out there
Did the Indians, first on the bill
Carve up the hill

Did a booger-bear
Come from somewhere out there
Just to land in the Andes?
Was she round
And did she have a motor
Or was she something different

Guacamole Queen
Guacamole Queen
Guacamole Queen

At the Armadillo in Austin Texas, her aura,
Or did someone build a place
Or leave a space for Chester's Thing to land
(Chester's Thing . . . on Ruth)
Did a booger-bear
Come from somewhere out there
Did a booger-bear
Come from somewhere out there
Did the Indians, first on the bill
Carve up her hill
On Ruth
On Ruth
That's Ruth
