Lucille has messed my mind up  
But I still love her  
Oh, I still love her

Lucille has messed my mind up  
But I still need her  
You know I need her

Whatcha tryna do to me, Lucille?  
Whatcha tryna do to me, Lucille?  
Whatcha tryna do to me, Lucille?

You got me goin' outa my mind  
Lucille has tore my heart up  
But I still love her, I really love her

Lucille has tore my heart up  
But I still need her  
You know I need her

She treat me like my heart is made of stone  
She runs around and leaves me home all alone  
She doesn't answer when I call her on the phone

She messed up my mind  
I'm crying all of the time  
Lucille has messed my mind up  
But I still love her, I really love her

Lucille has tore my heart up  
But I still need her  
And I really need her

Lucille, my mind up  
I love her  
I really love her

Lucille, my heart up  
But I still love her  
I really love her

Lucille, my mind up

I love her  
I really love her

Lucille, my heart up  
I really need her  
I really, really need her

Lucille, my mind up  
I really love her  
I really, really love her

Lucille, my heart up  
I really love her  
I really love her

Lu, and my mind up  
But I still love her  
I really, really love her

Lucille, my mind up  
I really need her  
I really, really need her

Lucille has tore my heart up  
I really love her  
I really, really love her

Lucille I really love her  
I really love her
