Do it again!
Do it again!

We are the other people
We are the other people
You're the other people too
Found a way to get to you...
Do you think that I'm crazy?
Out of my mind?
Do you think that I creep in the night
And sleep in a phone booth?
Lemme take a minute & tell you my plan
Lemme take a minute & tell who I am
If it doesn't show
Think you better know
I'm another person
Do you think that my pants are too tight
Do you think that I'm creepy?
Lemme take a minute & tell you my plan

Lemme take a minute & tell who I am
If it doesn't show
Think you better know
I'm another person (the verse that really
Goes here has been censored out &
Recorded backwards in a special section
At the end of side one...)
We are the other people
We are the other people
You're the other people too
Found a way to get to you

We are the other people
We are the other people
You're the other people too
Found a way to get to you
Do you think that I love you...
Stupid & blind?
Do you think that I dream through the
Night
Of holding you near me?

Lemme take a minute & tell you my plan
Lemme take a minute & tell who I am
If it doesn't show
Think you better know
I'm another person
