Title: My Guitar Wants To Kill Your Mama (in album You Can't Do That On Stage Anymore vol 4)

You know your mama and your daddy
Sayin I'm no good for you
They call me dirty from the alley
Til I don't know what to do

I get so tired of sneakin around
Just to get to your back door
I crawled past the garbage
And your mama jumps out screamin'
Dont come back no more!

I cant take it
My guitar wants to kill your mama
My guitar wants to kill your mama
My guitar wants to burn your dad
I get real mean when it makes me mad

Later I tried to call you
Your mama told me you werent there
(You just weren't there)
She told me don't bother to call again
Unless I cut off all my hair

I get so tired of sneakin' around
Just to get to your back door
I crawled past the garbage
And your mama jumped out screamin'
Dont come back no more!

I cant take it
My guitar wants to kill your mama
My guitar wants to kill your mama
My guitar wants to burn your dad
I get real mean when it makes me mad
(repeat last three verses)
