Some people's hot
Some people's cold
Some people's not very
Swift to behold
Some people do it
Some see right through it
Some wear pyjamas
If only they knew it

The pyjama people are boring me to pieces
Feel like I am wasting my time
They all got flannel up 'n down 'em
A little trap-door back aroun' 'em
An' some cozy little footies on their mind

Po-jama people!
Po-jama people, people!
They sure do make you sleepy
With the things they might say
Po-jama people!
Po-jama people, people!
Mother Mary 'n Jozuf, I wish they'd all go away!

Po-jama people!
It's a po-jama people special . . .
Take one home with you, save a dollar today
Po-jama people!
Po-jama people, people!
Wrap 'em up
Roll 'em out
Get 'em out of my way
Hein nya-nya-hein nya-nya-hein nya-nya-hein
HOEY! HOEY! HOEY!
Wrap 'em up
Roll 'em out
Get 'em out of my way
Hein nya-nya-hein nya-nya-hein nya-nya-hein
HOEY! HOEY! HOEY!
Wrap 'em up
Roll 'em out
Get 'em out of my way
Hein nya-nya-hein nya-nya-hein nya-nya-hein

HOEY! HOEY! HOEY!

(Well . . .) now some people's hot
An' some people's cold
(Well, Lawd . . .) an' some people's not very
(Very) swift to behold (swifty!)
(I told you) some people do it (do it!)
(Yes, they do!) (No . . .)
Some see right through it
(See right through it!)
An' some wear PO-JAMAS
If only they knew it

The pyjama people are boring me to pieces
They make me feel like I am wasting my time
They all got flannel up 'n down 'em
A little trap-door back aroun' 'em
An' some cozy little footies on their mind

Po-jama people!
Po-jama people, people!
Lawd, they make you sleepy
With the things they might say (hey, yeah-hey . . .)
Po-jama people!
(Well . . . now) Po-jama people, people!
(I said) ARF! ARF! ARF!
I wish they'd all go away!

Po-jama people! (People!) (Oh, yeah)
Po-jama people special . . .
(I said, I said, I said)
Take one home with you, & save a dollar today
Po-jama people!
(It's a) Po-jama people, people! (Special)
Wrap 'em up
An' roll 'em out
Get 'em out of my way
HOEY! HOEY! HOEY!
Wrap 'em up
An' roll 'em out
Get 'em out of my way
HOEY! HOEY! HOEY!
Wrap 'em up
Roll 'em out
Get 'em out of my way
HOEY! HOEY! HOEY!

(YEAH-HA-HA!)
