While we're at it, we have a sort of a cowboy song we'd like to do for ya. this is a song that deals with the rapidly approaching 200th birthday of the united states of america, ladies and gentl

This is a song that warns you in advance, that next year, everybody is gonna try and sell you things that maybe you shouldn't ought to buy, and not only that, they've been planning it for years

Name of this song is (pardon me), poofsters froth, wyoming, plans ahead.

Poofsters froth, wyoming,  
March eleven sixty-seven  
Take a letter, miss abetter  
As our pigeons will be homin'.

To our jobbers in dakota  
And to merwyn, minnesota  
This is merely just a note about  
Performance to our quota

Well, we've all come out to show dem,  
And the elks have helped us  
Load 'em  
Little packets full of jackets  
Little rackets, little rackets

Little poofster-cloth appointments  
Little pofter's froth anointments  
Little hoods, little goods  
Little doo-dads from the woods

The entire stock is shipping

Oh our shod is hardly slipping  
To the markets of the world  
Our wrinkled pennants are unfurled!

T-shirt racks, rubber snacks,  
Poster rolls with matching tacks  
Yes, a special beer for sports  
(and paper cups that hold two quarts)

Everything a nation needs  
For making hoopla while it feeds  
The trash compactors, small reactors,  
Mowers, blowers, throwers & the glowers:

This is buy-cent-any-all salute(hyulk!)  
Two hundred years have gone ka-poot!  
Ah but we have been astute!  
Signed: anon. - wyo. galoot!
