Title: Sofa nr. 2

-----

I am the heaven  
I am the water  
I am the dirt beneath your rollers  
I am your secret smut & lost metal money  
down your cracks

I am your cracks & crannies

I am the clouds  
I am embroidered  
a am the author of all tucks & damask piping  
I am the Chrome Dinette  
I am the Chrome Dinette  
I am the eggs of all persuasion  
I am all days & nights  
I am all days & nights  
I am all days & nights  
I am all days & nights  
I am here  
And you are my sofa  
I am here  
And you are my sofa  
I am here  
And you are my sofa
