A lot of people don't bother about their  
Friends in the vegetable kingdom. they  
Think: oh, ah, what can I say? what can  
A person like myself say to a vegetable?  
But the answer is simple, my friends:  
Just call, and tell them how you feel  
About muffins...pumpkins...wax  
Paper...caledonia, mahoganies, elbows  
...green things in general...and  
Soon, a new rapport...you and your  
New little green and yellow buddies,  
Grooving together...oh, no! maintaining

Your coolness together! worshipping  
Together in the church of your  
Choice...(only in america...)

Call any vegetable call it by name  
Aw, you gotta call one today  
When you get off the train

Call any vegetable  
And the chances are good  
Wow! that the vegetable will respond to you

Oh, no! can you see them responding? the  
Pumpkin is breathing hard...h-h-h-h  
H-h-h-h-h-h-h-h-h-h - h - hhhhhhhhhhhh!  
(what a pumpkin!)
