Gilly: I'd like to be . . . someplace else right now. It's much too crowded in here. Where would I like to be?
Girl #1: Where would you like to be?
Gilly: Oh, I don't know
Girl #1: Where would you like to be?
Gilly: I like strings a whole lot
Girl #1: Where would you like to be?
Gilly: (sigh)
Girl #1: Huh? Where would you like to be?
Gilly: Oh it's so hard
Girl #1: Where would you like to be?
Gilly: I can't think of anything else
Girl #1: Hmm
Gilly: The piano, a drum, strings
Motorhead: These strings are so tempting
Roy: Uh huh
Gilly: That's it exactly
