The dangerous kitchen  
If it aint't one thing it's another  
In the middle of the night when you get home  
The bread things are all dry 'n' scratchy  
The meat thing  
Where the cats ate trough the paper  
The can things with the sharp little edges  
That can cut your fingers when you're not looking  
The soft little things on the floor that you step on  
They can all be dangerous

Sometimes  
The milk can hurt you  
(if you put it on your cereal  
Before you smell the plastic container)  
And the stuff in the strainer  
Has a mind of it's own  
So be very careful  
In the dangerous kitchen  
When the night time has fallen,  
And the roaches are crawlin'  
In the kitchen of danger

You can feel like a stranger

The bananaes are black  
The got flies in the back  
And also the chicken  
In the dish with the foil  
Where the cream is all clabbered  
And the salad is frightful  
Your return in the evening  
Can be less than delightful

You must walk very careful  
You must not lean against it  
It can get on you clothing  
It can follow you in  
As you walk to the bedroom  
And you take all your clothes off  
While you're sleeping  
It crawls off  
It gets in your bed  
It could get on your face then  
It could eat your complexion  
You could die from the danger  
Of the dangerous kitchen

Who the fuck wants to clean it?

It's disgusting and dirty  
The sponge on the drainer  
Is stinky and squirty  
If you squeeze it when you wipe up  
What you get on your hands then  
Could un-balance your glands and  
Make you blind or whatever  
In the dangerous kitchen  
At my house tonight
