Can I just ask somethin' to any...everybody here? did
anybody see me puke on stage?

The tour of the country?

Yeah, did you?

I puked on stage

It started in san antonio

You puked on stage? ? ?

I did when I was right in the middle of singin' easy
meat or somethin' and all of a sudden I started pukin'
out of my mouth and I just put my hand over like that
Oh!

You didn't get it on film?

Outa-site!

Gimme that in slow motion...

I thought you guys all cut that... I got really sick from
ah... that jumpin' around each time... all that scotch and
wine? just weird, I only did it for about a second, you
know it's just like a little sound-hooker I kinda shoved it
back down my throat and went on stage

Right!

Yeah! that is strange man!

Ratzo rizzo!

He saved it because he might be hungry later

Uuhuu! keep the big pieces!
