it away, don

"this is a true story  
About a famous criminal  
From right around chicago  
This is the story of michael kenyon  
A man who's serving time at this very moment  
For the crime of armed robbery

It so happened, that at the time of the robbery  
Michael, decided to give his female victims  
A little enema  
Apparently, there was no law against that  
But his name lives on  
Michael kenyon  
The illinois enema bandit!"

The illinois enema bandit  
I heard he's on the loose  
I heard he's on the loose  
Lord, the pitiful screams  
Of all them college-educated women...  
Boy, he'd just be tyin' 'em up

(they'd be all bound down!)  
Just be pumpin' every one of 'em up with all the bag  
fulla  
The illinois enema bandit juice  
He just be pumpin' every one of 'em up with all the bag  
Fulla the illinois enema bandit juice

He just be pumpin' every one of 'em up with all the bag  
Fulla the illinois enema bandit juice  
He just be pumpin' every one of 'em up with all the bag  
Fulla the illinois enema bandit juice

The illinois enema bandit

I heard it on the news  
I heard it on the news  
Bloomington illinois...he has caused some alarm  
Just sneakin' around there  
From farm to farm  
Got a rubberized bag  
And a hose on his arm  
Lookin' for some rustic co-ed rump  
That he just might wanna pump  
Lookin' for some rustic co-ed rump  
That he just might wanna pump  
Lookin' for some rustic co-ed rump  
That he just might wanna pump

The illinois enema bandit  
One day he'll have to pay  
One day he'll have to pay  
The police will say, "you're under arrest!"  
And the judge would have him for a special guest  
The d.a. will order a secret test  
And stuff his pudgy little thumbs in the side of his vest  
Then they'll put out a call for the jury folks  
And the judge would say, "no poo-poo jokes!"  
Then they'll drag in the bandit for all to see,  
Sayin' "don't nobody have no sympathy...  
Hot soap water in the first degree!"  
And then the bandit might say, "why is everybody  
looking' at me? "

Well did you cause this misery?  
Well did you cause this kinda misery?  
Well did you cause this misery?  
Now, one girl shout: "let the bandit be!"

Bandit are you guilty?  
Bandit are you guilty? tell me now, what's  
Your plea?

Another girl shout: "let the fiend go free!"  
Are you guilty? bandit, did you do these deeds?  
The bandit say, "it must be just what they all needs..."  
"it must be just what they all needs..."  
"it must be just what they all needs..."  
"it must be just what they all needs..."  
"it must be just what they all needs..."  
Etc. repeat

Wanna, wanna, wanna, wanna enema  
Enema  
Repeat...
