Bruce: Bruce [...] . . .

FZ: What?

Bruce: From Reprise Records

FZ: Hi, there, how you doing?

Bruce: How you doing? Nice to see you again

FZ: Alright

Bruce: How's it going?

FZ: Well, it's alright

Bruce: Good. Hey, we got a neat publicity stunt we'd like to try

FZ: What's the stunt?

Bruce: We got a garbage truck we'd like to get some pictures of you and the Mothers on it

FZ: That's probably one of the most terrible ideas I've ever heard in my life! We're going down there?

Bruce: Yeah!

Mark: You'd love it, you know that?

Bruce: And, uh, we got that news paper here to cover it and, uh, plus, the front of the chart and stuff

FZ: The front of the chart . . .

Bruce: Yes, the, uh, FM chart that's put over here in Vancouver as a distribution for fifty thousand

FZ: What do you think, Dick?

Dick: What? A photo at the garbage truck?

Bruce: I think it's really gonna be a great idea, I really do

. . . on the other side of that

"But it won't be lonely for long . . . "

What's the deal?

Howard: Must we stand amidst the scum to get the idea across?

"Where are you on this ah long hot summer

Where are you on this ah . . . "

Mark: Are we going in it?

You think you can possibly . . . with the foot there?
