Performed by: Baby Ray & The Ferns

Ah, he's the world's greatest sinner.
I said, the world's greatest sinner.
As a sinner he's a winner.
Honey, he's no beginner.
He's rotten to the core,
Daddy, you can't say no more.
He's the world's greatest sinner.

If you've never sinned before,
Then you know what I mean.
If you see him walkin'
Around the floor,
He's the meanest creature you ever seen.

I mean, he is terrible!
Too much!
He's no beginner.
He's the world's greatest sinner.
Unbelievable
