Girl 1: What's it like when... when they play piano ?  
Does it hurt your ears ?

Larry: No, I found a corner.

Girl 1: Yeah.

Larry: Yeah.

Girl 1: Soundproof.

Larry: Well, not really soundproof but it doesn't  
bother you as much as outside...you snek in.

Girl 1: Lucky you found such a big piano, you know.

Larry: You sneak under the back, see ? Way here down  
here. Get way down here here inside and when you  
hide in the corner, nobody can find you. See, they  
can't here nothing 'cause it's cushioned.

Girl 1 and Larry appear in another area.
