(Walter Ward)

[Fillmore East, NYC  
Late show, June 6, 1971]

You know I love you, baby, please, don't go, well, well  
You know I love you, baby, please, don't go, well, well  
You know I love you, honey, child  
'Cause nothing I wouldn't do for you right now  
You know I love you, baby, please, don't go, well

You know I love you, baby, please, don't go  
You know I love you, baby, please, don't go  
You know I love you, honey, child  
Nothing I wouldn't do for you right now  
Y'know I love you, baby, please, don't go, well  
Zappa!

You know I want you, baby, please, don't go, well, well  
You know I want you, baby, please, don't go  
You know I love you, honey, child  
'Cause nothing I wouldn't do for you right now  
You know I want you, baby, please, don't go, well

Well, you know I love you, baby, please, don't go, well  
You know I love you, baby, please, don't go  
You know I love you, honey, child  
'Cause nothing I wouldn't do for you right now  
I know I love you, baby, please, don't go, well  
Yeah!
