"He's white, Jim . . . "

Why don't you like me?

Why don't you like me?

Why don't you like me?

Am I really that bad?

HE'S BAD, HE'S BAD, HE'S BAD

"I think you're a jerk! I'm moving from you!"

"Make me a sandwich."

"Moving to Venice."

"I'll be black."

(Jack! What?)

"Still white, Jim . . . "

I hate my mother

I hate my father

I AM my sister . . .

And Jermaine is a negro!

A NEGRO! A NEGRO! A NEGRO!

"I thought he looked good - what happened to you?"

"Please read this pamphlet."

"I'm so BAD!"

You take the monkey, I'll take the llama,

We'll have a party: get me a Pepsi -

Michael is Janet, Janet is Michael -  
I'm so confused now -  
Who is Diana?

He's oxygenated  
His nose is deflated  
And he thinks he looks good to you  
He thinks he looks good to you

Ike: Oh, I'm sorry . . .  
FZ: This is supposed to be the part where I . . . name  
people who are not . . . related in any particular way to .  
. . Michael Jackson . . . so . . . oh, let's see now, who  
could it be . . . uh . . . What's your name . . . ? His name  
is Bob? Bob is not the illegitimate son of Michael  
Jackson, take it from me . . .

Billy Jean is not Mr. Bob  
Arnold Silvestri . . . (Ha ha ha!)  
Billy Jean isn't Arnold Silvestri  
Jeanne Kirkpatrick . . .  
Billy Jean is not Kirkpatrick  
Lando Calrissian . . .

Give me oxygen  
Give me oxygen  
Give me oxygen  
Box o' turds

FZ: That's right, a box o' turds
