Judas at the end of the rope
No salvation and no hope
Judas at the end of the rope
No hope
Did he wonder if it had to be
As he succumbed to his destiny
Did he wonder about what he missed
As his lips formed to kiss
Satan makes for easy stomping
Knowing how he's behind it all
But what to say about Judas
What day really saw his fall
Did thirty pieces really turn the tide
Or was betrayal always in his mind
How was he born and raised
Was his life filled with dark days

Was the serpent his companion
Or was the deal already done
Did his father break his bones
Did he steal or was he stolen from
Judas bought the death that bought us life
Fulfilled the chronicle from before time
It had to happen but it was his choice
Though the book was written he had a voice
Logic mysterious unassailable
Til the end of time concealed
Like Pharaoh's heart hardened
So God's glory would be revealed
