Franka Potente Tom Tykwer ---Running Two

Never, Never, Never, Never Letting Go
Never giving up, Never saying No
Just Go, Go, I never stop
I never think
To do, do, do the right thing

I want to go
I want to fight
I want to rush
I want to run
I want to see you again
under the setting sun
We will kiss
We will laugh
We will be a part
of what is said to be
a union of the heart

Love is just the only strain
that makes me live through all my pain
I don't know if your love is true
but I can't think of anything but you

We will kiss
We will laugh
We will be a part
of what is said to be
a union of the heart

Never, Never, Never, Never, letting go
Never giving up, Never saying no
Just go, go, I never stop
I never think
To do, do, do, the right thing

I want to go
I want to fight
I want to rush
I want to run

I want to see you again
under the setting sun
We will kiss
We will laugh
We will be a part
of what is said to be
a union of the heart

Love is just the only strain
that makes me live through all my pain
I don't know if your love is true
but I can't think of anything but you

Never, Never, Never, Never letting go
Never giving up, Never saying no
Just go, go, I never stop
I never think
To do, do, do the right thing

Never never never never never.....
