Oh oh  
Ooh  
No no no

Spoken (You know there is two sides to every story)

See I don't know why you cryin' like a ...  
Talkin' ... like a snitch  
Why'd you write a song 'bout me  
If you really didn't care  
You wouldn't wanna share  
Tellin' everybody just how you feel

... what I did was your fault somehow  
... the presents, I threw all that ... out  
... all the cryin' you didn't mean jack  
Well guess what yo, ... you right back

... what I did was your fault somehow  
... the presents, I threw all that ... out  
... all the cryin' you didn't mean jack  
Well guess what yo, ... you right back

You thought you could really make me moan  
I had better sex all alone (ha ha ha ha)  
I had to do your friend  
Now you want me to come back  
You must be smokin' crack  
Im goin' else where and thats a fact

... all those nights I moaned real loud  
... it, I faked it, aren't you proud  
... all those nights you thought you broke my back  
Well guess what yo, your sex was wack

... all those nights I moaned real loud  
... it, I faked it, aren't you proud  
... all those nights you thought you broke my back  
Well guess what yo, your sex was wack

Whoa whoa  
Uh uh yea

X4

You questioned did I care  
Maybe I would howl if you wanna come to me  
Now it's over  
But I do admit i'm glad I didn't catch your crabs  
I can't swear bad cause I got to go

... what I did was your fault somehow  
... the presents, I threw all that ... out  
... all the cryin' you didn't mean jack  
Well guess what yo, ... you right back.

Whoa whoa  
Uh uh yea  
X4  
(Spoken) You made me do this.
