[Verse 1]

Meet this girl right here with her own money  
I got a benz in my garage  
House with my name up on the lease  
I don't need to ask for yours  
I got my own it feels so sweet  
Knowing that I worked so hard to make my dreams  
reality

[Bridge]

Its whatever 'cause forever I stay on my grind all day  
and nite  
Can't be mad at me for anything,  
'cause I hustle hard just so I can eat  
Got bills to pay, tryna make my way  
Struggling everyday it amazes me  
And I gotta keep movin on. I'll still be going strong

[Chorus]

So anything I want it's all there for me  
There ain't no limits involved; I get it for me  
And I don't need your help this is the way I choose to be  
There is one rule for my life  
I rely on me

[Verse 2]

I don't mean to brag about all the things that I got  
And I don't need you tagging along when I work so  
hard for mine  
Anything I got is real and it won't stop right here...  
'cause anything I have I get with my own blood, sweat  
and tears

[Bridge]x1

[Chorus]x2

[Breakdown]

This is for all of y'all, ain't afraid of getting yours  
Handle your biz and you got your own ends  
All the girls and all the boys  
If you got a job and work real hard

Get your ass out on the floor  
Plenty to spend go and do the damn thing  
'cause this is for all of y'all
