[Verse 1]

I can't take your attitude
Boy who the hell are you
Walkin' around like your on somethin
When the truth is not at all (truth is not at all)
Gave you all my credit cards so you could hit the mall
Still you complain sayin' things tryna make me feel
small

[Bridge]

So, who the hell are you
Tryin' to make me cry
I need to know why
Thinkin' that your the sh*t
You really and sh*t to do me like this
So who the hell are you
Tryin' to bring me down
"Lemme" Put you down....
I'm not with this, lemme show you how it is

[Chorus]

So baby on the real you ain't nobody
To ever try to make me feel this way (way)
You are so lame boy... you better ask somebody
Looks like I'll have to take my love away

[Verse 2]

Why you wanna curse at me (me)
Call me all out my name (name)
Watch yourself playa you don't wanna see it get ugly
(ugly)
Why don't you get a job?
Really it ain't that hard
Instead of doing things go bug me

[Bridge]x1

[Chorus]x2

[Breakdown]x2 to fade

You ain't nobody to me so
That's why it's easy to leave you

Pack all your sh*t, I don't need you
And that's on the real dude
You swear that you a real thug then
Come around my way you gets nothing
Don't even think about lovin' (my love)
You gets nothing!
