Life is wearing down. I feel distress, feeling too cold  
Brought down, left to suffer. Fighting back to turn it  
around  
Pushed down in the dirt. Feel too lost, feeling no worth  
The enemies surround. Under siege but victory bound

Bury me fighting, against your "western" wisdom.  
These are the signs of times to come  
Bury me fighting, against your "western" kingdom.  
These are the signs of times to come

All I know is that we're stripped.  
Stripped from dignity on this deathtrip  
All I know is I will fight.  
Find my way back and turn the tide
