Laid open wide  
To the marauder  
Defenceless weakling  
Hiding quivering  
Painful bleeding ears  
Faith has failed again  
Belief is not truth  
Mortal hope is slain-and-butchered

Butchered faith - In ignorance  
Butchered hope - Of martyrdom  
Butchered faith - Realisation  
Butchered hope - The fall of man

Now you see the truth  
Lids torn from your eyes  
Blood runs warm and free  
Washing over lies

Now you see  
The truth the blade carves into your side  
Now you see truth  
The blade carves deeper inside

No matter what you say your hope is still falling  
No matter what you do your faith is still dying  
No matter what you say your hope is still falling  
No matter what you do your faith is still dying

Die!  
Watch your friends dismember each other in jealous  
Rage!  
Observe them fall over as they stumble for the - pain -  
of - salvation...

Butchered faith - In ignorance  
Butchered hope - Of martyrdom  
Butchered faith - Realisation  
Butchered hope - The fall of man

The fall of man

The fall of god

Butchered hope - In ignorance  
Butchered hope - Of martyrdom  
Butchered hope - Realisation  
Butchered hope - The fall of man

And then you die  
The blade  
Lets it's tongue carve into your soft side

No matter what you say your hope is still falling  
No matter what you do your faith is still dying  
No matter what you say your hope is still falling  
No matter what you do your faith is still dying

Die!  
Watch your friends dismember each other in jealous  
Rage!  
Observe them fall over as they fall into darkness

The fall of man  
The fall of god  
Will kill you all...
