Pushed down Â– to fit the mold
Raised to fit and fail
Living, learning life in the shadows
Of what could have been

Born dead Â– or so it's told
In your coffin you're laid
Caged up, struggling and tearing to break free
Fighting hard as nails

Time's just ticking away
Dreams die hard so make your way
Nothing's flawless, nothing's easy
Grab each chance to seize the day

No one's born to loose
Not with a will and a chance to choose
Focus clear, push it hard
Live life for your truth

Breathe in Â– this is your life
This is a brand new day
Chances come and go in a lifetime
Take what comes your way

Rage now Â– resurrect yourself
Take it all, make your stand
Find the will inside, no one can be that in love with the
end

Time's just ticking away
Dreams die hard so make your way
Nothing's flawless, nothing's easy
Grab each chance to seize the day

No one's born to loose
Not with a will and a chance to choose
Focus clear, push it hard
Live life for your truth

Time ticks away
