The ruthless, the shameless, the faceless. Devouring,
Usurping for ages.

Saving us from threat, slavery ahead, freedom slips
away

Calculate, decimate, shaping fate. Shutting our eyes. I
Realize. We are kept from the truth.

The ruthless, the shameless, the faceless.

Legislate, obliterate, shaping fate.

Shutting our eyes. I realize. We are kept from the truth.

Question always, look for truth. Propaganda shaping
you.

Control your thought, control your mind.

Rewrite the past, fail to fight.
