Rosie O, Kathy Lee
Martha Stewart wanna watch you bleed
I'd take that cow Oprah Winfrey
And chop her into hamburger meat
I would pay any price to
See celebrities skinned alive
Because I would pay any price to
See celebrities skinned alive...Oh yeah
I'd take that fuck on MTV
Peel off his skin and see what's underneath
But most of all I'd take Billy Graham
And slice his ass like a god damn ham
I would pay any price to
See celebrities skinned alive
Because I would pay any price to
See celebrities skinned alive...Oh yeah
